

March 12, 2019

As a U.S.-owned Company, Watts Water Technologies undertakes to comply fully with all U.S. trade and embargo regulations, and, as a matter of policy, we require our subsidiaries to do so as well. In furtherance of this policy, please be aware that no Watts Water company may engage, directly or indirectly, in any transaction (i) to acquire goods, services or technology from; (ii) to provide goods, services or technology to; or (iii) otherwise involving dealings with, persons, companies or government entities of the following embargoed countries:

**Embargo:**

Crimea  
Cuba  
Iran  
North Korea  
Syria

If the end destination is listed on the restrictive trade sanctions (below), please contact the Director of Global Trade Compliance to determine if the sale/export will be permitted and to ensure compliance with all applicable laws and regulations
